

REM ENGINEERING LIMITED COMPANY HEALTH & SAFETY POLICY

REM Engineering Limited regards the promotion of health and safety and environmental measures as a vital objective for management and all employees and sub-contractors. The undersigned has overall responsibility for ensuring that this policy is implemented and maintained.

Company Management Shall:

- Take account of all relevant legislation and provide and maintain safe and healthy working conditions.
- Ensure that the Company's activities are controlled to minimize risks to employees and sub-contractors and any other persons who come in to contact with the company's activities.
- Provide training/information and instruction to enable all employees and sub-contractors to carry out their work safely and efficiently.
- Regularly review health and safety procedures/practices and instructions to ensure their continuing suitability and effectiveness.

Company employees and Sub-Contractors shall:

- Work safely and in a manner that will minimize health and safety risks.
- Report incidents that have lead to or may lead to injury, damage or disease.
- Follow company procedures to ensure healthy and safe working conditions.
- Assist Directors, management and other appointed persons in the execution of their Health & Safety duties.
